Termico **ECO TURF**

"It'll fool even the experts!"

ECO PLAY EXTRA

The Termico Eco Turf Eco Play extra is the perfect surface for the school or day-care application. It's slightly longer pile of 25mm gives it a softer, lush feel without compromising on durability and performance. It is highly UV protected and 100% lead and chemical free. Coupled with our shock pad technology this surface is perfect for playgrounds.
